### This Sunday is the feast of the

**Baptism of the Lord.** This feast marks the beginning of Jesus' public ministry and the end of the hidden years, when, at the age of about thirty, Jesus was baptised in the River Jordan by John the Baptist. His baptism was marked by the voice of the Father's approval and the appearance of the Holy Spirit in the form of a dove, teaching us that Jesus is the Son of God, and the Anointed One, or Messiah (in Hebrew) or Christ (in Greek), specially chosen and sent to bring about the salvation of the world. Today is a good day for thinking about our own baptism, and our own vocation to do the work of God in the world.

### Liturgical Notes.

**This Sunday, the feast of the Baptism,** concludes the Christmas season and marks the beginning of Ordinary Time, when the vestments will be green. You will notice that the statue of the Baby Jesus has been put away, and the Christmas trees removed; however, the Crib is still with us, and the Three Kings are there adoring the Baby Jesus, and have been since Epiphany. The Crib will remain up this year until February 2,

which is forty days after Christmas, and the feast of the Presentation of the Child Jesus in the Temple, known as Candlemas, the day on which candles are blessed as we celebrate Jesus as the Light of the World, and which coincides with the lengthening of the days. This Candlemas, Kris is going to be baptised, so it will be a doubly joyful feast. Please pray for him as he prepares to become a Christian.

### **January is dedicated to the Holy**

Name of Jesus. This ancient devotion reminds us that Jesus received his name a week after he was born, as was the custom, that is on 1 January. It reminds us that the name Jesus means 'God saves' and the teaching of Saint Paul that "Everyone who calls on the name of the Lord will be saved." (Romans 10:13) Whenever there is no feast, we shall endeavour to celebrate a Votive Mass of the Holy Name of Jesus.

**On Monday 18 January the Octave of Prayer for Christian Unity** begins and lasts until 25 January, the feast of the Conversion of Saint Paul. During the Octave we shall endeavour to celebrate the Mass for Christian Unity when there is no feast.

**It is true that Christmas is only just over, but early warning. Brace yourselves!** Lent this year begins on 17 February. Avoid 'dry January' and 'Veganuary', be traditional, and save the fasting for Lent. Start thinking now about what you can give up.

**Tuesday** is the feast of Saint Aelred of Rievaulx, abbot.

**Wednesday** is the feast of Saint Hilary, bishop and doctor of the Church.

**You will have heard that we are now** in Lockdown 3.0. This does not affect public worship; in other words, all Masses are as scheduled and the Church is open as normal. Many will of course not want to come out, but you are allowed, if you wish, to come to Mass and to visit the Church. All precautions are in place to make the Church 'Covid-secure', and many thanks to all those who are working away to maintain this. Moreover, our Church is large and very well ventilated, which greatly diminishes the chances of catching Covid in Church. (To date there have been no cases of anyone contracting Covid thanks to a visit to any church, as far as we know.) Lockdown will be dull, most human activities are curtailed, so please do come to Church to break up the boredom. Because of Lockdown 3.0, the Hall is shut, and all activities that would have taken place there suspended, including all sacramental preparation. Cardinal Nichols has said: "The regular practice of our faith in God is a well-established source of both personal resilience and dedicated service to those in need. Such resilience and enduring service are vital in these difficult circumstances. I am glad that no measures have been introduced that would obstruct or curtail this essential source of energy for the common good. Catholic parishes will continue to serve the needs of their local community. In one parish, for example, the provision of food for the needy has increased by 400% since March last year." Wise words!

**Please note the following:** Because the Church is cold thanks to the doors being open, woolly and other hats may be worn by men and boys, dispensing from the ancient law about men uncovering their heads in Church. Please try and sit

somewhere as far away from everyone else as possible!

### **This year is dedicated to Saint**

**Joseph.** Fact Three about Saint Joseph: He is best described as Jesus' foster father, the man into whose care Jesus was entrusted by God when the Son of God was growing up. Joseph was not Jesus' father in the biological sense as Mary remained a virgin and Jesus had no earthly father. However, according to Jewish law, as the husband of Mary, Joseph was legally Jesus' father, and so through Joseph, Jesus had the right to be called a Son of David. The perpetual virginity of Mary and the Virgin Birth are both dogmas of the Catholic Church.

### **The Blessed Carlo Acutis said:**

"Sadness is looking at ourselves, happiness is looking towards God."

### **One of our parishioners is currently**

facing a health crisis, and would certainly appreciate prayers. I thought it would be good if we could all do the Blessed Carlo Acutis novena for them as a community effort, starting on Monday. You can get the leaflet at the back of Church; details will be posted day by day on our facebook group, from Monday. Right now the Blessed Carlo 'needs' a second miracle to be canonised, so this is a fruitful time to ask for graces, favours and indeed miracles through his intercession, and many are doing this all over the world, so let us too join in! Many too are the reports of favours granted through the novena. The apostles said to the Lord, "Increase our faith!" And the Lord said, "If you had faith like a grain of mustard seed, you could say to this mulberry tree, 'Be uprooted and planted in the sea,' and it would obey you. (Luke 17:5-6)

### **Sacristy Notes: Our local locksmith**

recently opened the door to one of the former confessionals on the south side of the Church, which was like Tutankhamun's tomb inside. The lock has been changed and the handle replaced. This means we now have more storage space. Found there were two brass candlesticks which have now been polished up, and which can be used instead of the very broken torches. These candlesticks are a gift in memory of Catherine Duggan, and were used when the Church foundation stone was laid in 1914, as the photograph hanging in the sacristy shows (as was our processional cross).

### **The Compendium of the Catechism of**

the Catholic Church is a handbook of the Catholic faith in manageable form. We are looking at what it says about Prayer in the Christian Life, a very important subject. These extracts are for you to take away with you and ponder over.

**567.** What times are more suitable for prayer? Any time is suitable for prayer but the Church proposes to the faithful certain rhythms of praying intended to nourish continual prayer: morning and evening prayer, prayer before and after meals, the Liturgy of the Hours, Sunday Eucharist, the Rosary, and feasts of the liturgical year. "We must remember God more often than we draw breath." (Saint Gregory of Nazianzus)

**568.** What are the expressions of the life of prayer? Christian tradition has preserved three forms for expressing and living prayer: vocal prayer, meditation, and contemplative prayer. The feature common to all of them is the recollection of the heart.

## Parish Notice Board

**We are getting lots of passport forms** and other forms to sign. Aisling has kindly taken this on. Please note that forms should be dropped off in office hours only, and all the details need to be filled in before submission for signature or counter-signature and stamping. They will then be handed back to you also during office hours, within a reasonable time. It is not possible to offer a while you wait service. Neither is it possible to countersign identity papers for people who one does not know. With regard to baptism and confirmation certificates, requests are best submitted in writing, with a stamped addressed envelope. Please remember to include as much information as possible, as this makes tracking down the records easier. Dealing with forms does take time, and the parish does not charge for this service, but craves your patience.
