### Seeing your life through the lens of the Gospel

1. While the parable has clear end-of-time applications it can also be applied to any moment of grace. It reminds us that moments of grace come unexpectedly, and we need to be awake to receive them.
2. Grace can also be disturbing. We can be coasting along in life and suddenly an opportunity or a graced moment arrives and we are shaken out of our routine in order to respond..
3. We may be tempted to judge the wise virgins as being selfish for not sharing with the others, but perhaps Jesus is teaching us that there are some things that other people cannot provide for us. We have to acquire them ourselves. What qualities in life do you see as the essential oil that you must provide for yourself?
