## Seeing your life through the lens of the Gospel

1. A gift in love is given to be enjoyed, treasured, and used. Through fear, one servant failed to recognise the loving trust being shown to him and buried the talent.
2. On the level of our own personal life, faith is not given to us to be locked away, but to be 'traded' with. We trade with it when we believe in its value, trust it, and use it, bringing it into the experiences we have in daily life. As we encourage friends to join us in a run around the park, we could encourage them to join us at Church and coffee afterwards.
3. Likewise with our own personal gifts and talents. We can fall into the trap of seeing these as our own personal possession so that we can do with them as we like, rather than share them..
4. Pope Francis is his letter Evangelii Gaudium, writes 'I invite everyone to be bold and creative in this task of rethinking the goals, structures, style and methods of spreading the Good News in their respective communities ... The important thing is to not walk alone, but to rely on each other as brothers and sisters'. How are we in St. Peter's responding to that call, and what contribution are you making?

**Retiring Collection** next weekend for Cathedral maintenance.
