## Seeing your life through the lens of the Gospel

The healing of the deaf mute provides us with an opportunity to reflect on the importance of communication in our lives. The healing touch of Jesus who has brought the man from isolation into community. We all need people to help us when we feel isolated and alone.

Words are not the only form of communication. Actions can speak louder than words. When we are able to say what is in you is the other side of communication. Perhaps there have been occasions when you have struggled to find words to express what is deepest in you – your faith, your values, your love. Then something changed and you found the words.

**Bishop Richard** will skydive complete with hat on 14<sup>th</sup> September to raise money for the Lourdes Pilgrimage. You can contribute by purple envelope marked + R. skydive, or any other envelope. See notice board.
